

To Our Valued Customers and Community Partners,

Frontier Bank continues to monitor the latest developments of the coronavirus. The health and safety of our employees and customers remains our top priority. You can count on us to assist with your banking needs during this time. Our branches are staffed, most of our locations offer drive-thru banking and our phone lines are open to answer your questions.

With digital banking services available at your fingertips you can continue banking without interruptions. If you haven't already, download the Frontier Bank Mobile App today. You must first be enrolled in online banking to download the Mobile App.

With the mobile app and online banking you'll be able to:

- Make sure your personal information is up to date so we can stay in touch. Verify your email address is correct as this will be our main point of contact.
- Deposit Checks. Use the mobile app to deposit checks in just a few steps from the comfort of your home.
- Make Payments. Pay bills on time and with convenience through bill pay services.

We're here to help. If you've been affected by COVID-19 and need assistance with your account please [contact us](#). Frontier will never ask you for confidential information such as your name, password, personal identification number (PIN) or other account information if we contact you directly.

Frontier Bank's pandemic plan is in place to ensure that we can continue operations safely and effectively without disruptions. As the situation evolves we will take the necessary steps to ensure our customers and employees are protected. We will continue to serve our communities as we always have with personal attention and local service. Thank you for banking with us.
